

A wooden cutting board holds several irregular shards of frozen yoghurt bark. The bark is white and topped with fresh raspberries, sliced strawberries, blueberries, and granola. Drizzles of dark chocolate are artfully applied over the toppings. The background is a dark, textured surface with a light-colored fabric in the upper left corner.

# FROZEN YOGHURT BARK

## INGREDIENTS

400ml Natural Trewithen Yoghurt  
50g Melted 70% Dark Chocolate  
100g Raspberries  
100g Strawberries, sliced  
50g Blueberries  
2 tbsp Granola

## METHOD

1. Spread your yoghurt onto 2 baking trays, lined with baking parchment and use a spatula to make a smooth layer.
2. Sprinkle a selection of fresh fruit, granola and drizzle melted chocolate over the surface.
3. Freeze for 2+ hours and serve by cracking into frozen shards.
